LOOKING FOR A MEETING PLACE?

Independence Presbyterian Church has meeting rooms available on different days and different time slots. Some are classroom size, one auditorium size with kitchen, and even a non-denominational meditation chapel room.

The location offers a close in, lighted parking lot. It is right on the square in Independence. EZE access to major roads, restaurants nearby. Currently Thursday evening hosts a large meeting in the auditorium.

This community welcomes all 12 Steps Programs, as well as other group support meetings.

IPCUSA.org is the website for pictures, etc.
